Ukrainian League of Industrialists and Entrepreneurs (ULIE) expresses the assurances of its highest consideration to you.

ULIE activities focus on creation of auspicious climate for the businessmen to enhance production scale through improvement of regulatory framework, cooperate closely with the state authorities, create new jobs etc. ULIE concentrate much of its efforts on small and medium business development.

International experience proves that one of the effective ways of SME support is large scale exhibition and fair and trade show events. Active Ukrainian participation in suchlike events in Lithuania during 2015-2016 confirms that fairs and exhibitions in Ukraine should be a good platform for SME development, establishment of ties between entrepreneurs, expansion of the international production cooperation.

In the context of these activities we would like to inform you that the international fair the First Spring Festival will be held on March 3-5, 2017, in Kyiv at the premises of the International Exhibition Center. Lithuanian organizations OpenEurope and UAB "Vikšris" act as partners of the event.

The exhibitors of the fair have an opportunity to present and sell their goods, in particular, casual, youth, sport and signature clothes, folk art clothes, knitwear and hosiery, children clothes, man and woman bags, leather goods, hand-made jewellery, cosmetics and perfumes, home textile, souvenirs and gifts, houseware.

Exhibitors and visitors are invited from Ukraine, Slovenia, Belarus, Moldova, Georgia, Lithuania etc.

We kindly ask you to distribute the above information and invitation to participate in the First Spring Festival in Kyiv among the interested manufacturers and possible visitors.
